

Venus Vapour Proof

IP65

Product Description

An IP65 weather proof and anti-corrosive luminaire, the Aluminium case and Polycarbonate diffuser are manufactured with high quality materials to provide extra strength and durability. Giving an even spread of light, the fitting is suitable for many applications including any that are subject to moist or dusty environments.

Applications: Car Parks, Food Processing Areas, Workshops, Railway Stations, Cold Stores & Moist Environments

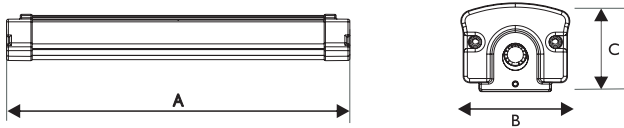

Protection & Resistance

- IP65 Water Resistance
- Durable for indoor & outdoor applications
- 30° to +35°C Operating Range

Design Features

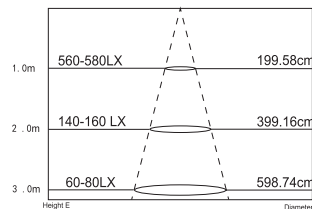

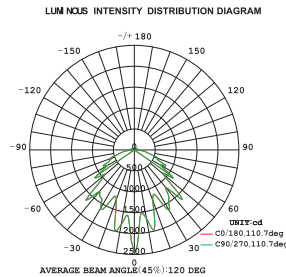

- Aluminium Housing
- Polycarbonate Diffuser
- Fully Sealed Unit - IP65
- No Clips
- No Pixelation
- Impact Resistant - IK09
- Emergency Version Available
